Library Services for NTMP Students
Northern Territory Medical Program

https://library.health.nt.gov.au
Welcome to our network of health libraries located in Darwin, Alice Springs, Katherine, East Arnhem and Tennant Creek.

Our libraries support the information needs of all NT Health staff (Department of Health, Top End Health Service, Central Australia Health Service), eligible health professionals and medical students.

Our purpose is to provide accurate, authoritative and appropriate information for our library members through the delivery of reference services and evidence-based library collections.

Information about our services and resources can be found at https://library.health.nt.gov.au
